Re: Books for ARS/NET in fisheries (AQUACULTURE)

Dear friend
You can refer the following books
Handbook on Fisheries and Aquaculture Technology
Author: NIIR Board of Consultants and Engineers
Rabbit, Goat, Sheep, Poultry, Fish and Pig Farming with Feed Technology
Author: NIIR Board
The Complete Technology Book on Meat, Poultry and Fish Processing
Author: NPCS Board of Consultants & Engineers

More details about the book and its content is available at
http://www.niir.org/books/books/fisheries-aquaculture/z,,a,45,0,a/index.html
Thank You

Some of the books you can search on net are:

- Fishes (Peter B. Moyle)
- Aquatic Entomology (W. Patrick McCaffe)
- Fundamentals Of Aquatic Toxicology (Gary M. Rand)
- Fish Disease (Edward J. Noga)
- Aquaculture (John S. Lucas)
- Fisheries Techniques (Brian R. Murphy)
- Manual of Fish Health (Chris Andrews).

If you want simple notes than check these sites:

Re: Books for ARS/NET in fisheries (AQUACULTURE)

yes you can do ARS crack : follow books K. Rathnakumar objectives and T.V.R Pillay Aquaculture and other books u may refer are: Lata Sinha fishing gears, AND agriculture objective books.
Also follow the B.F.SC notes.

Fisheries and Aquaculture are at the crux of development in many developing countries having a sea coast; therefore, studies pertaining to Coastal Development, Marine Biology, and Oceanography are also covered under the scope of the Journal. "Fisheries and Aquaculture Journal" holds a special position in the ecosystem of scholarly communication by relaying on expert knowledge synthesized from the seminal advancements in the field of Fisheries and Aquaculture. Fisheries and Aquaculture Journal has commissioned an experienced Editorial Board, comprising of the pre-eminent scholars in the field.
